Version 1.0 Effective 7 November 2026

Summary

infokraze.com **uses no advertising or analytics cookies**. That is why there is no cookie consent banner.

What is measured

To know how many people visit the website and which pages they read, we use **Cloudflare Web Analytics**. It sets no cookies, uses no browser local storage and builds no individual visitor profile. The data is aggregated, such as visits per page and country of origin.

Strictly necessary cookies

Cloudflare, which protects and delivers the website, may set technical security cookies (for example `__cf_bm` or `cf_clearance`) to tell people from bots and block attacks. They are not used for advertising, last no longer than the check requires, and need no consent because they are necessary to run the website securely.

Our brands' sales pages

Our brands' sales pages live at other addresses and may use cookies and pixels from ad and payment platforms. Each page discloses the tools it uses and, where required, asks for your consent.

Managing cookies

You can block or delete cookies in your browser settings. Blocking Cloudflare's technical cookies may make the website ask for an extra check.

More information

Personal data processing is described in the Privacy Policy. Questions: contato@infokraze.com.

Language

This is an English version of the Portuguese text. If the two differ, the Portuguese version prevails.
